N. F. A. Boys Show Marked Improvement-Score 21 to 0-Bill Stanley Bored Through Westerly's Defense for Large Gains-Stonington Here Today.

Friday afternoon at the Riverside grounds, Westerly, the Norwich Free Academy and Westerly High school fotball teams played a snappy game of football, and when the referee's whistle blew for the last time the Red and White boys were at the big end of a 21 to 0 score. The Academy team made a fine appearance in their new jerseys, and if they play in the same manner today that they played Friday, the Stonington team won't have a show in this afternoon's contest. Westerly was unable to make a first down through the hefty line of red and white jerseys, so they resorted to kicking and forward passes, none of which were successful. The Academy also tried a number of forwards, none of which were successful. The Academy also tried a number of forwards, which also failed. Stanley was the star of the game, running for 10 to 46 yards every time he took the ball.

The advance began at the opening and was in the nature of a resumption of yesterday's late rise. For a time specialties were reactionary, while repspecialties were reactionary, while representative shares and coppers gathered greater strength. Steel led the market, except during the forenoon, when Reading and Eries, among the rails, and Anaconda Copper dominated the trading. In the afternoon buying orders lifted Steel to 87 5-8, a gain of 2 1-2, and within a slight fraction of its recent best. Steel was taken in lots of 3,000 to 12,000 shares and its rise was effected at some cost
